

**Fine and Rare Pair of George III  
Silver Traveling Chambersticks  
(Brighton Buns) by William  
Sumner, 1811**

**Inventory Number :**160-119

**Price :**\$22,500

**Size:** 5 1/2 ins diameter and 3 ins high

A good pair with plain circular dishes and molded borders, each with detachable nozzle and bobeche, extinguisher and snuffer, engraved throughout with a crest. These are rare pieces indeed and adding to the rarity are the original fitted bolsters in chamoix leather. (the suffers by W. J Booth 1811)

Although the family has not been identified it is tempting to speculate given the date of 1811 that these pieces could have been commissioned for a combattant in the Peninsular War between England and France.

William Sumner and W.J Booth
