

A Victorian Oak Campaign Lamp Table

Inventory Number :200-117

Price :\$2,800

Size: 16 ins diameter and 29 1/2 ins high

On first appearances, this looks just like a table made for domestic use. It is certainly uncommon for a campaign table with legs that unscrew to have stretchers. On closer inspection it can be seen that the stretchers are made to pop out of their fixing holes to the legs. With the stretchers removed, the legs will unscrew from the top. A good table in the Arts & Crafts tradition.

The top is made out of two pieces with a simple line for decoration. Late 19th century.
