

A George II Style Mahogany Tripod
Kettle Stand

Inventory Number :230-137

Price :\$4,800

Size: 15 ins wide, 17 ins deep and 21 3/4 ins high; Top
12 ins diameter

A fine quality small table with a pie-crust top that screws off from the tripod base. The base retains a remarkably good original surface with a depth of color and patina that is impossible to replicate artificially. The pie-crust top is probably a replacement and is certainly refinished. The simplicity of the design to the base is reminiscent of the design for the other kettle stand we have (180-103) and being almost the same dimensions make a great companion piece.
